

Thank you for your interest in Purcell Marian High School!

All students seeking admission for the 2019-2020 school year must begin the Admissions Process.

1. Apply Online:

Visit www.purcellmarian.org and Click “Admissions Home” under the Admissions menu to start the online application process. It is free of charge and only takes a few minutes.

You will be prompted to set up an account. A few tips for a smooth application process:

- Please set up the account under the parent/guardian name, NOT the student name.
- You will need to use an email address you check frequently, as this will be the address connected with the student application.
- Write down the username and password you create. Your information will be saved, and you can log in and out at will. You must click “submit” when you are done reviewing the application before it is considered complete.

2. Records Release Form.

Catholic Grade School Students: inquire about the Records Release form at your school.

Public School Students: Download the Records Release Form from the website. Print out, sign and turn this form in to your student’s current school. They will fax us all of the necessary records.
